

HIS WORD TODAY
by Rev. William J. Reilly

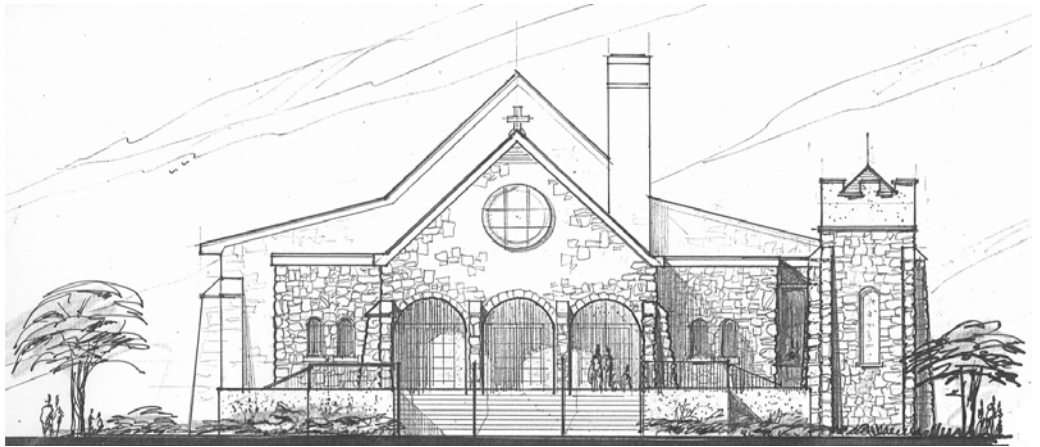

**FOURTH SUNDAY
OF EASTER
APRIL 22, 2018**

“Peter filled with the Holy Spirit said: ‘Leaders of the people and elders: If we are being examined today about a good deed done to a cripple, namely, by what means he was saved, then all of you and all the people of Israel should know that it was done in the name of Jesus Christ the Nazarean whom you crucified, whom God raised from the dead; in His name this man stands today before you healed... There is no salvation through anyone else.’”

When people inquire where they should begin reading the bible, I suggest a great place is in the Acts of the Apostles, and in particular the kerygmatic sermons of Saint Peter and Saint Paul. They are clear and concise statements about Jesus, His passion and resurrection, and through the Spirit are the source of the enthusiasm as the two great preachers tell of their reason for preaching.

It was not much earlier that Peter denied and Paul persecuted those who were curious and seeking. That is what we are about as we reflect on His Word Today and every day – we are desirous of knowing and loving Jesus better, and as we do, we serve as His witness.

The great sermons, the announcement or proclamation give meaning to our lives as disciples and are the call to others to come to Jesus.

THE SOCIETY OF ST. VINCENT DE PAUL

"I am the good shepherd...I know mine and mine know me" says Jesus in today's Gospel. The Good Shepherd is concerned about, cares for and protects the sheep and fulfills the obligation of relationship. This relationship requires of us disciples to "lay down our lives". Shepherding is serious business. It means that we cannot run away but rather to commit ourselves to good deeds, such as caring for the sick, feeding the hungry, clothing the poor, forgiving those who wrong us and loving others as God loves us. Those good deeds are the very "stuff" of our everyday living and loving-in our families and in our service to the poor. To those served, Vincentians are expected to give the same deep and serious thought that they give to their own families. Sharing does not consist merely in the distribution of material goods; it also implies that our personal resources and potential of mind and heart, of time and influence, are placed at the service of others. Sharing means taking part in the joys and sorrows, in the worries and hopes of others. It equally involves a readiness, on the part of members of the Society to accept help, suggestions, advice, encouragement and collaboration. We are all poor in one way or another and that is perhaps what draws us closer to one another and to Him who is the Good Shepherd and who consented to share our humanity.

If you are interested in learning more about Vincentian "good shepherding" please come to one of our meetings which are held on the first and third Tuesdays of the month at 7:00 pm in Msgr. O'Connor Hall (church basement). Our next meeting will be on Tuesday, May 1, 2018.

A Message From Father Bill

I wanted to give you an update on the Annual Catholic Appeal fundraiser for our diocese. At present, with our goal being \$89,000, we have reached 70% of our goal with just 250 families taking part. Thank you to all who donated. I ask that as you consider all that the diocese does in the four counties, you would consider a donation of any amount to help us, and the diocese, to reach the goal needed for the needed programs/trainings/assistance to continue. For those who have taken part in the past, one more letter was sent as a second request for your prayerful consideration. For those who have not received a letter and may have not donated to the Diocesan Appeal in the past, I ask you take a brochure and pledge card, located at the entrance, and consider a donation. Thank you all.

I also want to give you information regarding the second collection next week for the Catholic Communication Campaign. The campaign is connecting people with Christ through the internet, television, radio, and print media. Fifty percent of the funds collected stay in our diocese to support local communications projects. The other fifty percent fund national communications efforts as well as projects in developing countries. This collection connects people around the world to the gospel message. To learn more, visit www.usccb.org/cc. I also urge you to take advantage of what the Catholic Communication Campaign funds. The US Bishops’ website is a terrific resource: free on-line Bible and Catechism, the latest news calling us to action for our Catholic Faith as Americans, video reflections on Sunday Gospel, and so much more. Also, in the back of the Church and Chapel are copies of the Diocesan Newspaper – the Monitor, as well as the diocesan website, www.dioceseoftrenton.org, which have much information to keep you informed and inspired. In our own parish communications, I invite you to visit our website, sign up for FORMED and our parish newsletter. And, as always, thank you for taking a bulletin – still an important method of Catholic communication in our parish. Have a blessed week.
